Forecast For Wales
Issued by Met Office Exeter
at 0400 on Sunday 25 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and dry for most, showers possible in the south.

Today:
A fine dry day for most with plenty of sunny spells, however the odd heavy shower is possible, especially in the south. Feeling warm in the sunshine with light winds. Maximum temperature 24 deg C (75 deg F).

Tonight:
Any showers will soon ease to leave a dry evening with plenty of late sunshine. Remaining dry overnight with clear spell and another mild night. Minimum temperature 12 deg C (54 deg F).

Monday:
After a bright start, scattered showers will soon develop in the afternoon, these turning heavy and thundery at times. Feeling warmer than Sunday. Maximum temperature 26 deg C (79 deg F).

Outlook for Tuesday to Thursday:
An unsettled few days with a mix of sunny spells and scattered showers throughout. Showers will be most frequent and heavier on Wednesday. Feeling cooler with strengthening winds at times.
